About Us

Who we are — Quantum AI (QAI)

What is Quantum AI?

Quantum AI (QAI) is the next chapter of blockchain — a structured crypto growth platform with live market rate, transparent wallets, daily rewards, and a six-level affiliate network.

If you missed the first phase of Blockchain, this is your second chance with Blockchain QAI. Members fund in USDT, earn structured rewards, and grow with rules they can explain.

- Coin: QAI · Start rate: 2 USDT · Live rate site-wide
- Daily reward 0.5% · Min fund 50 USDT · Principal lock 90 days
- Six clear wallets · Affiliate across 6 levels

Terms & Conditions

Key legal points — full text on qblockchainai.com/terms.php

01 Acceptance

By registering, funding, or using Quantum AI you agree to these Terms and the Privacy Policy. If you do not agree, do not use the Platform.

02 Eligibility

Valid sponsor ID, real details, and secure passwords required. One person should not create multiple accounts to manipulate rewards.

03 Funding

Min 50 USDT (x50) on BEP20. Credit only after confirmed TXID. Wrong network/token is member responsibility.

04 Rewards & Locks

Principal lock 90 days. Daily 0.5% to Reward Wallet. Bonus/affiliate QAI may lock 90 days before withdrawal.

05 Affiliate Rules

L1 50%, L2-L6 10% on investment (no ROI on ROI).
No guaranteed returns, spam, or fake promises.

06 Withdrawals

Subject to minimums, security password, and account status. Platform may hold payouts for fraud review.

Privacy Policy

How we handle member data — full text on qblockchainai.com/privacy.php

01 Data we collect

Name, email, sponsor ID, wallet address, fund/withdraw requests, TXIDs, and support messages. Passwords stored as secure hashes.

02 How we use it

Account login, fund confirmations, rewards, team structure, service emails, fraud prevention, and admin operations. We do not sell personal data to advertisers.

03 Blockchain note

On-chain USDT transfers are public. TXIDs and addresses can be verified on explorers. Public chain history cannot be erased by QAI.

04 Cookies & sessions

Session cookies keep panels logged in and support security features. Disabling cookies may break login.

05 Sharing

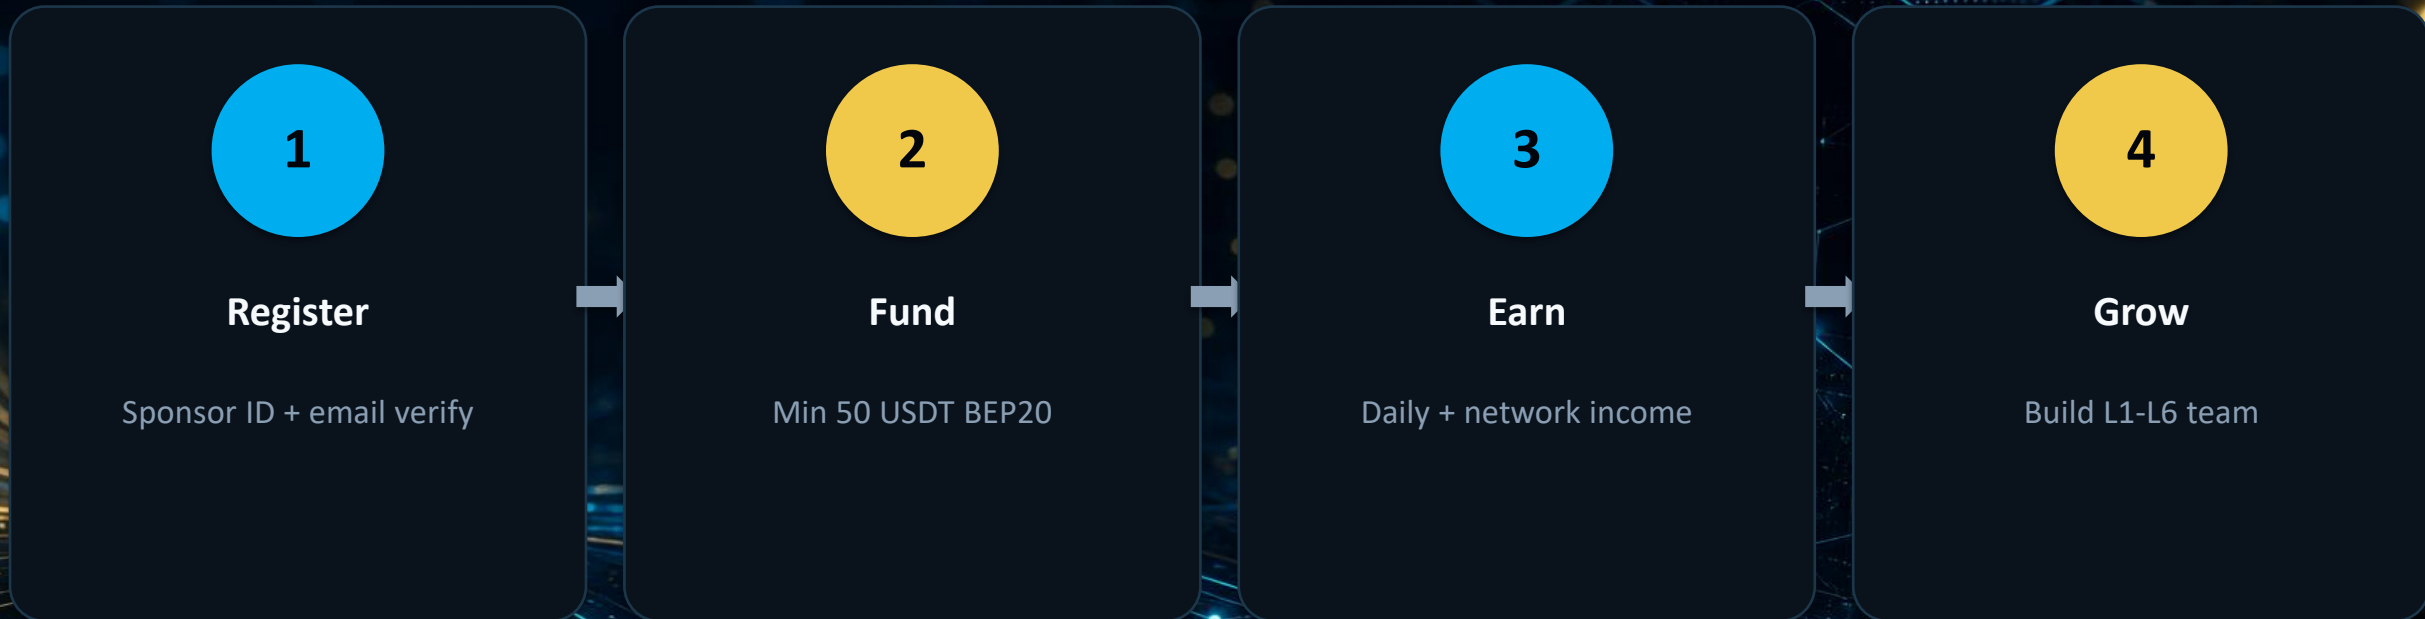

Only as needed: hosting/email providers, limited sponsor network stats, admins, or legal/safety requirements.

06 Your choices

Keep credentials private. Contact support for account questions. Full policy details remain on the website.
